ELECTRICAL FITTINGS & FIXTURES SERVICES

Extremely promoted by present-day equipment and professionally skilled human support, AZ INFRA take advantage of latest equipment to carry out our tasks for desirable results. All those workmen who work under our electrical division are trained and professionally educated to engineer all and every type of electrical works allotted to them. Apart from providing all types of general electrical maintenance and repair works AZ INFRA electrical services also furnish works such as replacement of MCCB, DB, ELCB and MCB isolators, rewiring, short-circuit rectification, additional wiring, home lighting and design.

ELECTROMECHANICAL EQUIPMENT INSTALLATION & MAINTENANCE

AZ INFRA established to offer its services to Construction, Interior Designing, Building Maintenance & Turnkey Solutions. The company focuses on Industrial, Commercial and residential units as well as Turnkey Projects viz. Large Substations, villas, High Raise Building, Hotels, commercial complex etc. We have executed a number of such projects during the last 6 years of its existence for wide clientele, predominantly corporate entities.

Our professional projects management team ensures quality, cost-effective and timely delivery of products and services. Our permanent client base is a testimony to our focused commitment to the task undertaken. Our business is structured to provide a single point contact for our customers with the support of our team of asset specialist, high skilled execution staff, established service providers in their area of proficiency and consultants.

PAINTING CONTRACTING

In order to make the overall aesthetics of your house or building sterling, It is important to select a professional team of painters and painting contractors in Dubai to the colors that you want to move to the ground. We work with a belief that painting is indeed an art and it needs a special outlook to get the best outcome as per the client's requirement. The AZ INFRA team of painters are professionally skilled and experienced and they can carry out any type of painting work including sanding and filling through to the real painting itself.

PLASTER AND CLADDING WORKS

Our expert team of plasterers and cladding specialists are able to provide complete plaster and cladding services including the interiors and exteriors of residential or commercial buildings. We work according to your precise requirements and needs. We also make wooden cladding as per requirement of the design & project.

PLUMBING & SANITARY INSTALLATION

Plumbing could be categorized as one of the most disregarded household works; that has to be done during the making of a construction as it needs to be disguised after the end of construction. It is indeed hard to make it work when something goes wrong by contacting the customer service even though most of the thermostats are made by leading plumbing companies. AZ INFRA provides services with professional experts with all the tasks needed to install or repair and kind of plumbing system. It does not matter whether you need the work to be done in your residence or commercial facility, our mastered labour will handle the job with much ease within minutes.

CARPENTRY & WOOD FLOORING WORKS

Being one among the widely known and chosen furniture maintenance services in UAE, team AZ INFRA provides all-comprehensive furniture works in any possible domain. The quality that we maintain throughout the process of work is one of the most unique service propositions of our deliverance with the professionally skilled and practiced workmen, AZ INFRA is able to create an excellent, practical and aesthetically superior commercial space, meeting all the requirements both financial and practical requirement of the clients. We are Committed to provide sublime and significant furniture maintenance services in Dubai. Even if the project is a major one or a smaller one, we are equipped to carry out any kind of carpentry work as required by the clients. We have a practiced and proficient carpentry division that can carry out any type of carpentry works such as wooden window works, door frame and door fitting work and all sorts of general maintenance and repair works as needed with ease. If you have been looking for a carpentry service that can deliver inclusive and economical carpentry services, AZ INFRA solutions will fit your requisites aptly. Also, we provide ready- to- deploy carpenter services upon receiving client requests.

FLOOR & WALL TILING WORKS

Floor and wall tiling has been a part of construction since olden times. Tiles are used in every part of a building whether its floor, wall, kitchen, bath, or pillars to enhance the beauty of the building. Even in the current era, their use is increased extensively. Nowadays there is an immense use of tiles in every building almost. AZ INFRA offers you the best outputs regarding floor and wall tiling. We have a variety of tiles for your building's unique look. Our technical staff keeps a keen eye on the tile installation from beginning to finish.

FALSE CEILING & LIGHT PARTITION INSTALLATION

We have complete solutions regarding fixing systems for partitions and suspended ceilings. Hire us for partition services or false ceilings services because we are the best False ceiling Company in UAE. Our carpenters are innovative and work with accuracy and precision. Take the advantage of our False Ceiling specialists at the most economical prices because we provide the Best False Ceiling works in UAE.

AIR CONDITIONING, VENTILATIONS & AIR FILTRATION SERVICES

It is very essential in the case of air conditioning systems that you should be capable of using the most energy efficient system to be mounted in your home or any other buildings. The level of quality that we provide for our customers makes us the most dependable AC services and maintenance contractors in the city. We do deliver any and all types of repairs and maintenance work for our client's requirements. We are equipped with practiced and professionally trained technicians that have immense knowledge in all kinds of air conditioning system. AZ INFRA works with an assurance that our clients will be immensely happy to make use of the services that we provide from the AC service and maintenance contractors with rapid response time to calls and speedy labour.

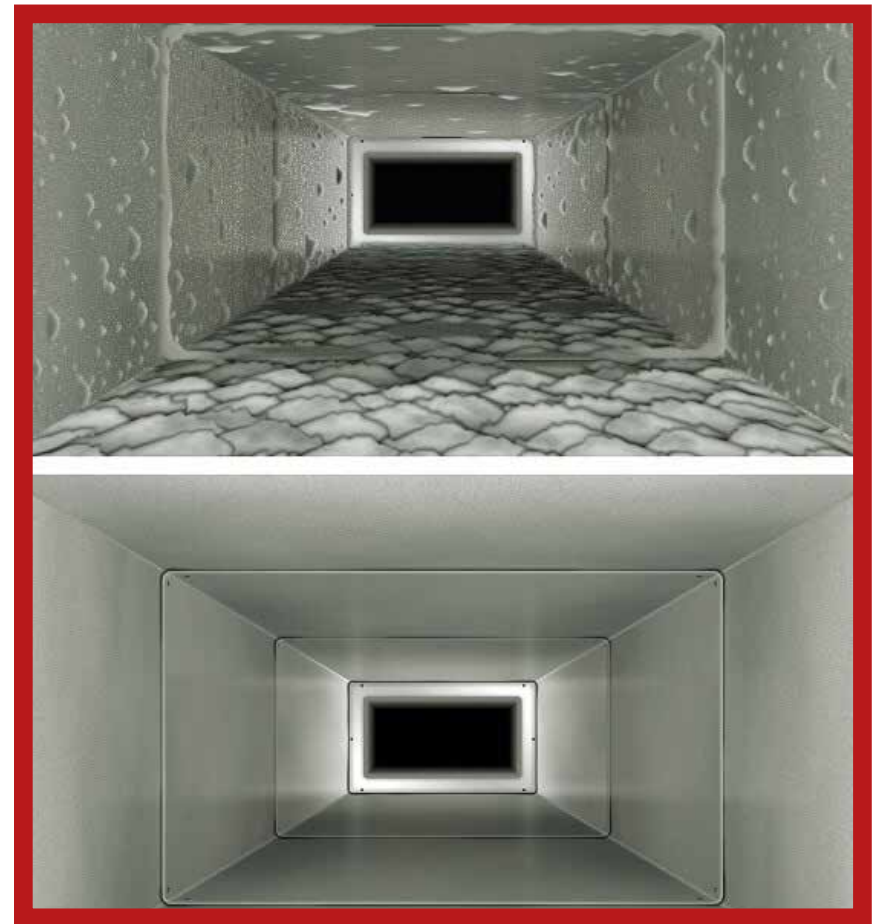

GLASS & ALUMINUM INSTALLATION & MAINTENANCE

We undertake all types of domestic and commercial glass repairs and installation. With a wealth of knowledge and experience in the glass and glazing industry we can meet our customer's requirements no matter how simple or challenging they may be. Our experienced installers were able to repair windows and doors of all styles and manufacturers. We employ highly qualified and bonded service technicians as well as an Estimating Department to provide cost-effective solutions and device. Our staff is committed to supplying our customer with the best technical support services and installations within the industry

DUCT CLEANING SERVICES

If you are looking for a skilled duct cleaning service in Dubai, AZ INFRA is willing to help you with a one- stop solution for all your woes related to the problems regarding AC duct cleaning. We provide one of the best, most prolonged and efficient duct cleaning services in Dubai. We understand that the immediate and most vulnerable victims of an unhygienic duct are children and pet and we make sure that the ducts are in the best possible condition to deliver healthy air after having done the cleaning. If you need a highly expert and efficient provider of duct cleaning services in UAE, you can rely upon AZ INFRA that can assure you a dependable and expert service.

WATER TANK CLEANING

It is our privilege to provide the most reliable and affordable water tank cleaning and maintenance service with a professionally skilled group of workers equipped with best methods and techniques in cleaning water tanks. We ensure that the tank is in the safest condition to use it again after the completion of our work including removal of all types of microscopic organisms and bacteria collected in the water by dead insects and other pests during the prolonged use of the tank. We work with the system ensuring uninterrupted water supply with the latest techniques and methods to carry out the cleaning processing in hardly taking few minutes.

WATER PROOFING WORKS

We have years of practice in the field of water proofing and diverse skilled water proofing contractors in UAE. Our technicians will help you to figure-out the basic dilemma causing the problem like leaking in the basement of building and advise you the finest way to overcome the issue forever.

LANDSCAPING WORKS

We create distinctive and attractive landscapes for our customers. We love carving the exterior for the satisfaction and refinement as our customer preference. Creating a fusion with deluxe and impressive factor we aim to constitute landscapes that are peerless. This has assisted us to bond our dignity in the industry as the formerly landscaping company in UAE. We provide all type of landscaping services.

HYGIENE CARE SERVICES

It is important to maintain a hygiene environment around us in this populated world. Team AZ INFRA strives to provide the best and the most efficient hygiene care services in UAE. It is assured that all the hygiene care products and devices that we use can be installed with ease and could be maintained efficiently. It is possible to program these devices to function during the day time only or for all 24 hours. Based on the changing preferences and choices of our clients, we make sure that all our hygiene care services deliver variant floral, sandalwood and fruit fragrances.

BUILDING CLEANING SERVICES

AZ INFRA has been offering high-quality and highly perpetual cleaning work, providing all the cleaning specifications of commercial, residential, governmental, and all other buildings. The quality of service that we provide makes us unique from all other enumerable cleaning services of UAE. We do not impound ourselves to just residential cleaning services but we elongate our proficiency to other cleaning works such as property maintenance work, water tank cleaning, and pest control services with highly specialized workmen who are professionally skilled, experienced, and technically enlightened of the jobs that they are involved in.

WALL PAPER FIXING SERVICES

Wallpaper requires proper maintenance to keep its beauty for ten years or more. With only certified contractors listed, you need not worry about their credibility and reliability. It is important to validate license and obtain references that can confirm that the contractor is a competent one and can offer quality products and services.

If you are facing a problem with wallpaper that is ripped or torn and replacing the entire sheet is out of the question, just think about repairing. Wallpaper repairing is a popular choice for those who want to save their time and money. It is an easy way to give your wallpaper an upgrade. To repair damaged wallpaper with perfection, take the services of an efficient wallpaper repair contractor, they will offer wonderful budget friendly ways to hide minor or major problems on the wallpaper.

SWIMMING POOL INSTALLATION & MAINTENANCE

Do you have a swimming pool in your home or hotel? Are you looking for professionals to take care of it? Well, AZ INFR is here to provide you the best quality service. We are a swimming pool installation and maintenance firm in Dubai. We believe in providing your establishment an essence of luxury and relaxation. In the humid and hot weather of Dubai who doesn't want to enjoy splashing in the cool swimming pools with their family, children or alone. We welcome you to allow us to provide you the Dubai's best and efficient technical services.

AMC CONTRACTS

Having your property covered under our Annual Maintenance Contracts gives you round the clock 24/7 365 days access to our team with an emergency* response time of few hours for any maintenance issue you may face. AMC assures you complete peace of mind. We have tailored our AMC into 3 different packages to fit your various requirements being the owner or the tenant of the property.
